Dear Editor of MFINT,

Thank you for your consideration to accept our manuscript. Kindly please find the revised manuscript, copyright agreement and all the figures attached. We have put the PACs numbers, revise the reference with DOI numbers, and separated all the figures. We also agree with greyscale color for the figures even at a photograph.

We look forward to your response.

Dear Author,

Your paper entitled is still under peer review. Peer reviewers are busy scientists, and peer review requires detailed scrutiny and evaluation of the manuscript. This is the most time-consuming part of the entire publication process. It can take anywhere between one to four months, depending on the field of study. We will contact you as soon as new information appears.
